**All Members are asked to read the following Rules of Etiquette.**

As a Member of the Baraboo Country Club I will...

- arrive and be checked in at least 10 minutes prior to my scheduled tee time and be ready to hit my first tee shot on time.
- treat the golf course facilities with the same respect and care as if they were my own.
- respect the authority of the Golf Shop staff and take my complaints to the GM and or Board of Directors if needed.
- uphold the tradition of the Club regarding my behavior both on and off the course as I reflect the Club in our community.
- strive to **be an example of the rule rather than the exception to it.**
- play at or below the course pace of play required of 4 hours and 20 minutes. **If the group behind me is faster, I will allow them to play through as soon as possible.**
- repair all my divots and ball marks as well as an additional ball mark per green to maintain our excellent playing conditions.
- make every effort to keep my cart on the paths provided around all tee and greens. If I have a disability which prohibits me from doing so, I will display a blue flag on my cart.
- educate my guests as to the expectation of etiquette at the BCC.
- serve as an ambassador of the Club through the recruiting of new Members and the retention of existing Members.

**The Baraboo Country Club asks all Members to strive to be the very best members and people they can every day, to attract and retain the very best individuals in our community.**

**We exist to provide a quality golfing experience to the greater Baraboo area at an affordable price while maintaining a financially viable golf course.**
